WeatherStrong Outdoor Cabinetry

With the desire to spend more quality time outdoors, WeatherStrong Outdoor Cabinetry is designed with your lifestyle in mind. Our cabinets are manufactured in the U.S.A. using High Density Polyethylene (HDPE) and 3/4" All-WeatherBoard® composite material. Both materials are engineered to withstand the harsh elements Mother Nature can send your way. Pounding rain, hot summers, and cold snowy winters are no problem. Your WeatherStrong cabinets are tough enough to take it.

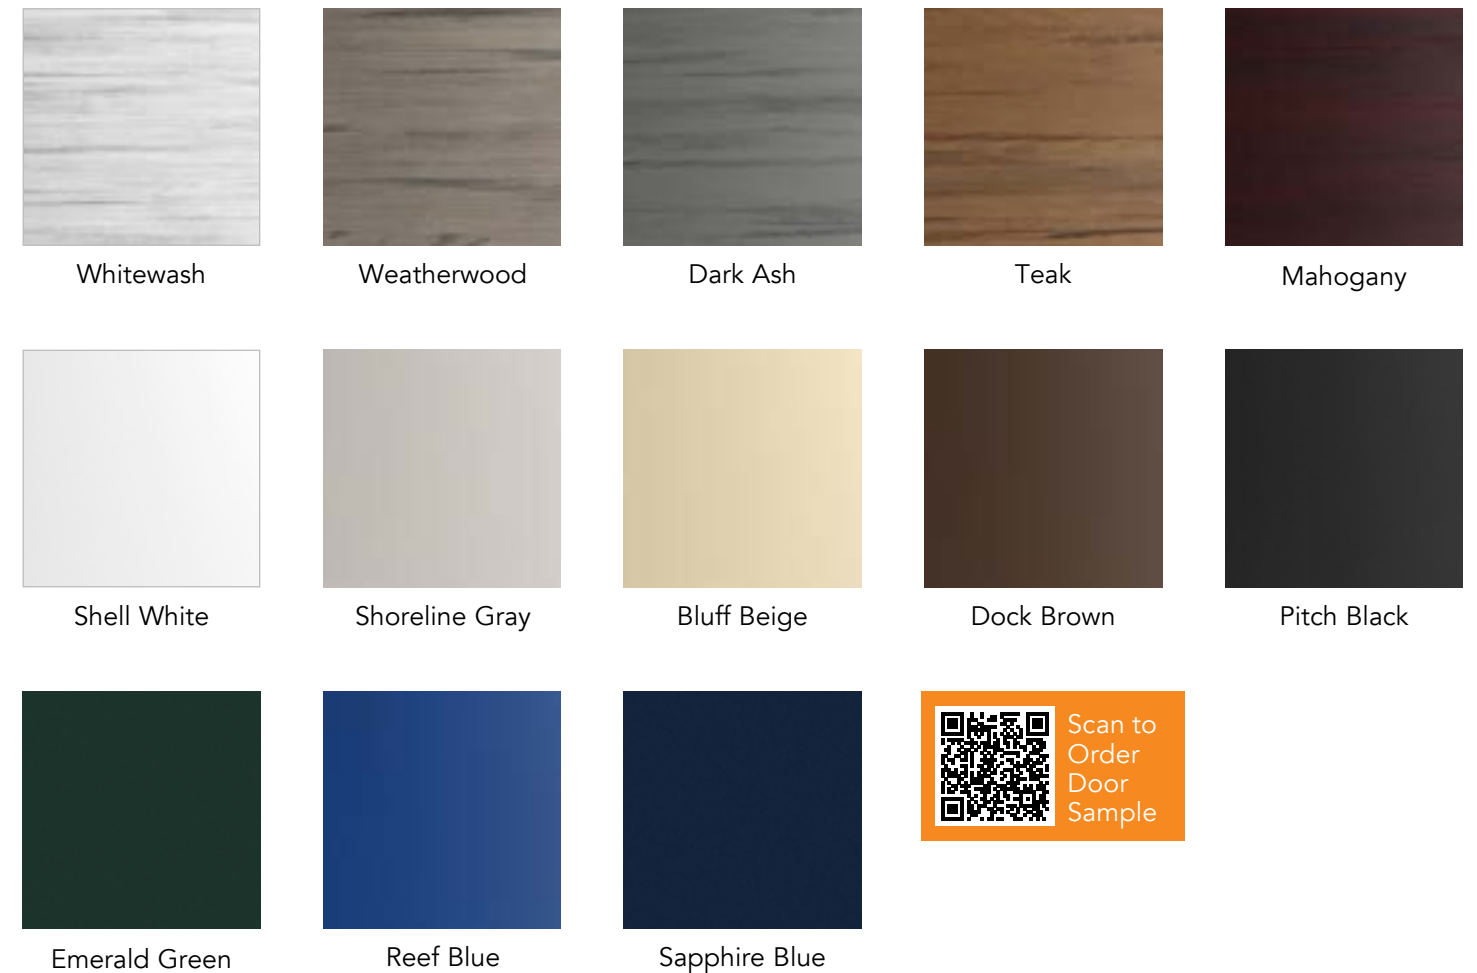

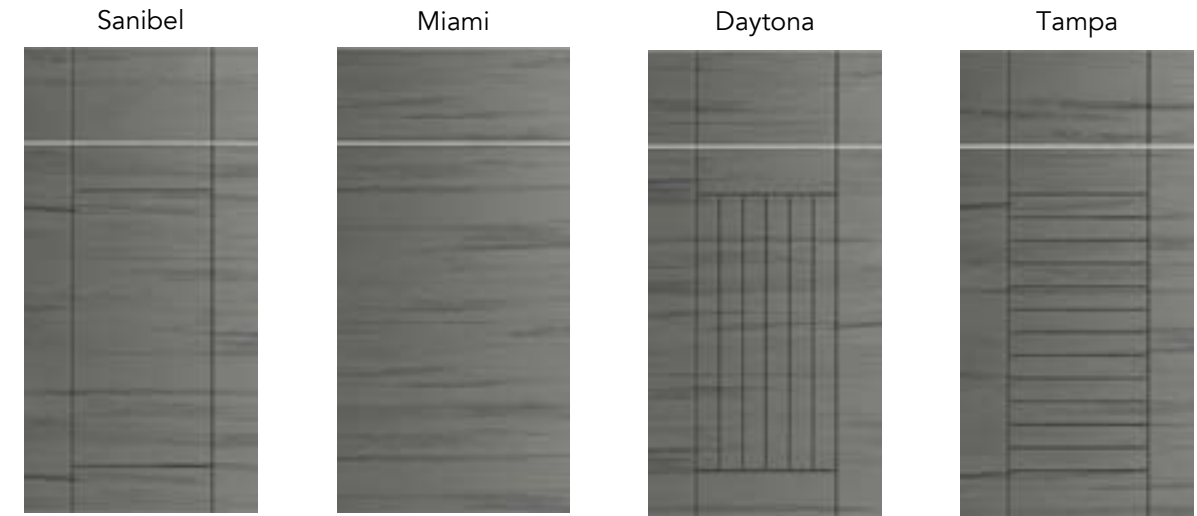

WeatherStrong offers 4 different door styles in 13 color options to suit any style. All doors, drawer fronts and decorative panels are composed of HDPE. All decorative hardware, hinges and drawer runners are Stainless Steel and top rated for outdoor use. All cabinets are factory built in a variety of sizes and options, making WeatherStrong perfect for any outdoor, wet room or garage application. WeatherStrong ships in 7 to 10 Days.

Door Styles and Colors
